

ADDITIONAL BENEFITS

Our Standard Preferred Protection was created with you in mind. Just look at the benefits our plan provides!

Peace of Mind

If a costly repair is necessary, you know you're covered without financial strain. Away from home or in an emergency, the program administrator can utilize its national corporate credit card to make immediate payment to the repair facility.

You're Protected Anywhere!

Coverage is effective anywhere in the US and Canada. You are covered even if you're traveling or move to a different city.

Help is a Phone Call Away

Our toll-free number puts you in direct contact with customer service.

Excellent Coverage

You can't afford to be without!

Roadside Assistance

Help is available 24-hours a day. We provide lockout assistance, gas delivery, jump-start, tire change and towing.*

Rental Coverage

In the event your car requires any covered repair, we get you back on the road with a rental car.

Affordable & Convenient

Your coverage can be included in your monthly car payment.

*Up to \$100 per occurrence, does not include parts. The roadside provider is solely responsible for listed benefits. See your agreement for details.

*Excellent Coverage You Can't
Afford To Be Without!*

**STANDARD
PREFERRED
PROTECTION**

*This brochure provides an overview
of coverage. Actual contract coverage,
limitations and exclusions may apply.
See your Service Agreement for details.*

Take the worry out of unanticipated and costly engine repairs. Our Standard Preferred Protection provides the coverage you need far beyond your vehicles original warranty period.

1. ENGINE COMPONENTS

All internally lubricated parts. Crankshaft and bearings, oil pump, fuel pump, internal timing gears or chain belt, camshaft, camshaft bearings, valve lifters, rocker arm assemblies and pushrods, valve guides, pistons and rings, wrist pins, connecting rods, exhaust manifold, distributor, drive gear and water pump. Engine block and cylinder heads, if damage is caused by the failure of an internally lubricated part. Rotary Engine: All parts listed above plus rotors, rotor seals, rotor chamber, eccentric shaft and bearings.

2. TURBO / SUPERCHARGER COMPONENTS

Factory installed turbocharger or supercharger, housing and all internal parts. (Requires surcharge)

3. TRANSMISSION COMPONENTS

All internally lubricated parts contained in the housings, torque converter, and transfer case. Case housings, if caused by the failure of an internally lubricated part. (AWD / 4WD Requires surcharge)

4. DRIVE AXLE ASSEMBLY COMPONENTS

Drive axle housing including pinion bearings, side carrier bearings, ring and pinion gears, carrier assembly, thrust washers, axles, axle bearings, constant velocity joints, internal transaxle seal and drive axle housing, if caused by the failure of an internally lubricated part.

5. SEALS AND GASKETS COVERAGE

Seals and gaskets are covered when replaced in conjunction with a covered failure and the vehicle has less than 125,000 miles.
