

Total Option Protection

What is Total Option Protection?

It is a vehicle service contract program designed with new and gently used pre-owned vehicles in mind. The program includes a variety of coverage options, including an 8-Year, 120,000-mile plan, as well as an unlimited time, 100,000-mile plan!

What type of coverage does the Total Option Protection program provide?

The program provides four levels of coverage from Basic powertrain to a Premier exclusionary coverage plan. There is additional coverage available for conversion van and mobility equipped vehicles as well.

All programs include roadside assistance, trip interruption (except stand-alone mobility coverage), and substitute transportation.

What vehicles are eligible?

NEW VEHICLES: Coverage is available on any vehicle current plus 5 model years old and newer with less than 50,000 miles at time of sale. Any vehicle that is current plus 9 model years old with less than 85,000 miles, and a powertrain warranty with 100,000 miles of coverage or more at time of sale, qualifies for our unlimited time, 100,000-mile program.

PRE-OWNED VEHICLES: Coverage is available on any vehicle current plus 9 model years old with less than 125,000 miles at time of sale. January 1st is the anniversary date used to determine model year. See class guide for list of eligible makes and models.

What terms are available?

The following terms are available:

- 3-Unlimited months
- New car coverage follows the vehicle odometer
- Pre-owned coverage is ADD ON time and mileage
- All coverage (except Manufacturer wraps) begins on the Agreement Date

Is the program available to eRate, eContract and eRemit?

There are a variety of eBusiness solutions available, including full DMS integration. Contact your NAE representative for complete details.
