

**“THAT’S OK...  
THAT’S WHY I  
HAVE INSURANCE.”**

**Most people don't realize the cost they would incur if their vehicle was stolen and not recovered. Auto insurance will only pay the actual cash value of the vehicle. Unfortunately, there are many unforeseen expenses when your vehicle is stolen – our Theft Protection covers those expenses during a very critical time.**

**WHAT WOULD IT  
COST YOU  
IF YOUR VEHICLE WAS  
STOLEN?**

# ONE VEHICLE IS STOLEN EVERY 20 SECONDS IN THE UNITED STATES.

**Theft Protection prevents you from becoming a victim of auto theft and reduces unforeseen expenses.**

## How Does Theft Protection Work?

Theft protection will help deter your vehicle from being stolen by uniquely identifying the major parts of your vehicle. This system allows the parts to be easily traced by law enforcement. When your parts are traceable, they are less desirable to thieves! We provide you with a performance guarantee that provides you with up to a \$4,000 cash benefit in the event your vehicle is stolen and not recovered or deemed a total loss!

### **BASIC THEFT COVERAGE**

YOU will receive up to \$4,000 if your vehicle is stolen and not recovered or is deemed a total loss! This is in addition to ANY benefit payable to you by your comprehensive insurance carrier.

### **ENHANCED THEFT COVERAGE**

**If your vehicle is stolen AND recovered, you will be eligible to receive the following benefits:**

- **Comprehensive Insurance Deductible** - Up to \$500
- **Homeowner's Deductible** - Up to \$500
- **Rental Car** - \$25/day up to 30 days or \$750 total
- **Towing and Storage** - \$20 per day for up to 14 days

**YOU WILL  
RECEIVE  
UP TO  
\$4,000**

**Even with excellent auto insurance, an auto theft leaves you with unforeseen expenses which can't be avoided, such as:**

- Comprehensive insurance deductible
- Loss of initial down payment
- Loss of taxes, title and documentary fees paid
- Loss of personal items such as: cd's, clothing, eye glasses, garage door opener and more
- Homeowner's insurance deductible
